REGISTRATION AND ENROLLMENT

All returning students must complete course registration through the online portal no later than March 15th for the fall term and October 15th for the spring term. Registration submitted after the deadline is subject to a $75 late registration fee and is not guaranteed a seat in high-demand courses.

New and transfer students register during orientation week, which begins the second Monday of August for the fall term. Students who miss orientation must contact the Office of the Registrar directly to arrange registration before the first day of classes.

A student may add a course within the first five business days of the term without instructor permission. Dropping a course after the tenth week of the term requires a signed withdrawal form and results in a "W" on the academic transcript rather than a letter grade.

ACADEMIC POLICIES

The minimum cumulative grade point average required to remain in good academic standing is 2.0. A student whose GPA falls below 2.0 for two consecutive terms is placed on academic probation and must meet with an academic advisor before registering for the following term.

Appeals of a final grade must be submitted in writing to the department chair within thirty calendar days of the grade being posted. The appeals committee will review the appeal and issue a decision within two weeks. The committee’s decision is final and may not be appealed further.

Academic honesty violations, including plagiarism and unauthorized collaboration, are adjudicated by the Office of Student Conduct. A first violation typically results in a failing grade on the assignment; a second violation may result in suspension for one academic term.
